

# HLM (ex HLE) Growth Fund

HLM (ex HLE) Fund Info Sheet as at 28 September 2018

## Investment Objectives

The Fund aims to provide capital growth through dynamic investment in a broad range of asset classes across global markets. The Fund will invest primarily in collective investment schemes that in turn invest in fixed income securities, equities, property and derivatives. Typically the Fund will have a bias towards asset classes that focus on equity investment strategies.

**The fund is currently not available for new business.**

## Performance of fund between 30 June 2012 and 28 September 2018\*

Cumulative Performance in GBP as at 28 September 2018	Last 12 months	Last 3 years	Last 5 years		
	2.21%	2.03%	1.53%		
Calendar Year Performance	2012	2013	2014	2015	2016
	-8.56%	32.94%	7.44%	1.51%	21.32%

The annualised rate shows the average return per year since the fund's launch. Past Performance Rate is shown net of Annual Management Fee but excludes any other charges and taxes. Any sharp fluctuations in the performance of the fund over a period of time are not necessarily represented by the performance rate or by the annualised rate indicated.

HSBC Life Assurance (Malta) Ltd is licensed by the MFSA to carry on long-term business of insurance in terms of the Insurance Business Act 1998. The above information is not to be construed as investment advice and the choice of fund to which your policy is linked should be based on the full details included in the brochure and fund profile. This information should be read in conjunction with the full details contained in the product Terms and Conditions, Key Features Documents and other relevant product literature.

\*Past performance should not be seen as reliable indicator of future performance and the value of the fund may go up as well as down resulting in fluctuations to your policy. It is important to remember that therefore you may not get back the amount originally invested. Changes in the rates of currencies, particularly where overseas securities are held, may also effect the value of your investment. Performance information is up to 30 June 2015.

\*\*These percentages relating to the Top 5 Holdings are indicative as at 30 June 2015 and change frequently.
